## the dance house performing arts centre -term one 2009

### Special welcome

to new families. It has been especially nice to meet new faces and families in many different classes. If I haven't met you yet, please feel free to introduce yourself. Once rehearsals are underway for "The Journey" faces & names will become more familiar and I will begin to put two & two together! I hope that you enjoy the community of the Dance House. We will do our best to make sure you and your child/children settle in well. Welcome!

For former Dance House members, welcome back for 09!

IT IS WONDERFUL TO SEE YOU ALL AGAIN, REFRESHED AND READY FOR THE SHOW!

It has been great to see everyone getting into their dances with heaps of enthusiasm, despite the heat! Well done keep it up, it is going to be a speedy journey to... 'The Journey.'

As the school grows we are growing with it and making a few changes.

1. You will notice the offices are now upstairs and we are making downstairs a little more user friendly. A through way will soon appear where the windows are currently - (where the eft-pos machine is) so you can go from the 'waiting room' to the 'changing room' & toilet etc. The eft-pos, notice board & other info will go into that room & a mirror and the shelf will go together in the 'change room' for girls to do hair etc.

2. A uniform shop will soon be operating independently but from The dance house building. 2 Parents are getting very organised to kit you out & will have cards to fill out for all your needs, so you can again order from the school premises.

This will be wonderful as it can be tricky with sizes. There will be specific times etc. We will inform you in detail shortly. Look out for that email/flyer.

**So lots to catch up on...so make sure you read this news letter cover to cover to be well informed for the show!**
